

Hello Fellow Senior Outdoors Social (SOS) Members,

We are heading into fall now. It has been a wonderful summer with clear skies, abundant water and even temperatures seem more moderate than last year. In August I always look for when the light changes to that warmer yellow color in the morning as a first sign fall is coming. It typically happens the end of August but I swear I saw that this morning here mid August. Perhaps we will have an early fall. The weather this year will be interesting after the abundance of snow last winter. Nothing forecasted as yet but many of us are wondering about winter snow conditions this coming season.

You will find below the schedule through October 2019. SOS continues our weekly dinners on Friday night and our Happy Hours on Tuesday night other than on the SO general meeting night. We hope many of you can join us!

All events are RSVP as noted in the schedule. Several of the restaurants limit the number of us they can handle. On those please do RSVP early, and please don't just show up as there won't be a seat for you. Guests must also RSVP and may attend two (2) events before becoming members of SO.

Included on the planning and execution team are:

Happy Hour – Fred (supported by Judy and Gail)

Dinners – Charlotte, Mary, Cynthia, Gail, Sue & Lee, Dale & Allie

SOS New Member Welcomes – Charlotte, Gail, Judy, Louise

Special Events – All of you. We are open to volunteers to host pot lucks, the symphony, music in the park, etc....

Distribution & Schedule – Fred (distribution) & Louise (schedule)

See you soon!

Louise & Fred
